B. PUBLIC HEARINGS: (B.1.)

This portion of the agenda provides citizens an opportunity to express their views on a specific issue as required by law after proper noticing by submitting a speaker slip (located on the back table) to the City Clerk. After considering all of the evidence, including written materials and oral testimony, the City Council must make a decision supported by findings and the findings must be supported by substantial evidence in the record. An applicant or designee(s) for a private development/business project, for which the public hearing is being held, is allotted a total of fifteen minutes to speak, as per SBMC 2.04.210. A portion of the fifteen minutes may be saved to respond to those who speak in opposition. All other speakers have three minutes each. Please be aware of the timer light on the Council Dais.

This item was continued from the December 5, 2018 Meeting.

B.1. Public Hearing Continued: Consideration of Resolution Nos. 2018-131 and 2018-132 Certifying the Final Environmental Impact Report and Approving an Application for a Development Review Permit, Structure Development Permit, Vesting Tentative Parcel Map, Affordable Housing Plan, Density Bonus and Waiver of Development Standards, and Fee Waiver for Solana Highlands, a 260-unit residential community including affordable senior housing at 661 - 781 South Nardo Drive and 821 Stevens Avenue (Case # 17-14-29 Applicant: H.G. Fenton). (File 0600-40)

The proposed Project meets the minimum objective requirements under the SBMC, can be found to be consistent with the General Plan and the LCP LUP, and may be found, as conditioned, to meet the discretionary findings required as discussed in this and the original staff report to approve a DRP, SDP, VTPM, Affordable Housing Plan, Density Bonus and Waiver of Development Standards, and Fee Waiver. Therefore, Staff recommends that the City Council:

1. Conduct the continued Public Hearing: Report Council disclosures, Receive public testimony, Close the public hearing.
2. Consider certification of the FEIR and adoption of **Resolution 2018-131**.
3. If the City Council certifies the FEIR and makes the requisite Findings of Fact and approves the project or an alternative, adopt **Resolution 2018-132** conditionally approving a DRP, SDP and VTPM, Affordable Housing Plan, Density Bonus and Waiver of Development Standards, and Fee Waiver for the Solana Highlands project, consider approval of the fee waiver, density bonus and development standards waivers, for a residential community and affordable senior housing project, at 661-781 South Nardo Drive and 821 Stevens Avenue, Solana Beach.
